6996 Roy St
Wolf Point, MT 59201

Telephone: 406-650-2501

Dear Parents/Guardians:

The Frontier School District hosts a Parent Portal through TylerSISK12 (Student Information System) called Student 360. We have taken great strides to improve and implement some communication tools with you, the parents. If you decide to take advantage of this opportunity, you will be able to obtain information regarding your child, including their classroom grades.

Student 360 consists of two pieces – a website accessed by a web browser and a phone app. The phone app offers quick access to data areas that parents and students likely want to see more frequently. The website provides data on a wide range of student information, in more detail than would be easily viewable on a phone. To download the App, find Tyler SIS Student 360 Mobile from the Apple iTunes iOS App Store and the Google Play App Store for free. The Student 360 Parent Portal supports the following web browsers, using the latest versions:

- PC with Firefox, Microsoft Edge, or Chrome
- Mac with Safari, Firefox or Chrome
- iPad 10” with built-in Safari browser
- Android 9” or larger with built-in Chrome browser

If you feel this would benefit you and your student, we will need the following information completed and returned to the school office. Once we receive your form, it will be processed. After being processed, you will receive an e-mail containing your password and instructions to access your child’s records. It is that simple. If you have any questions or concerns, please contact me.

I wish to sign up for the Parent Portal through SISK12 to observe my child’s records and progress.
