

Frontier School at A Glance

Frontier School is seeking a 1st grade teacher.

The benefits at Frontier district are great. Teachers start **\$34,500 annually**. There is **loan forgiveness of \$5250** because Frontier is a low income school on the Fort Peck Reservation. **Housing costs are supplemented** so that new teachers pay as little as **\$566** a month for a one or two bedroom rental. **HDHP Health insurance premium is \$95 per month, the rest paid** by the district. There are also 11 sick days and 4 personal days each school year. These personal days can be paid out if not used.

Staff have consistent expectations and use like vocabulary for students. To achieve this cohesiveness, after school Professional Development is available two times a month after school and is paid at \$35 hr. A mentor teacher will be available to help the 1st grade teacher transition into their class the first year.

Because of the implementation of MBI standards for students, Frontier experiences **few**, if any major **behavior incidents**. Frontier is on an Indian Reservation, and the staff promotes solid respect from students. Parents are supportive of this core value.

Besides a great academic program, participation in Sports is high, Skills and Drills workshops occurring outside the sports seasons and each summer Frontier has two weeks of summer school to help students get ready for the new school year. Other times the community is invited to Frontier at Family Game Night, a November PowWow, Cool Vibes displays of student writing, and a Field day in the spring, and an end of the year potluck. These are largely attended by parents along with many other events throughout the year.

The annual parent survey completed by parents in December showed **an overall rating of 4.17 out of 5** overall for Frontier, with the highest ratings in, "I would recommend Frontier Schools to Others," and "Learning is important at Frontier School."

Just 40 miles from Fort Peck Reservoir, and only a mile from the Missouri River, fishing is a great sport. Hunting and camping are also big activities in this area.

Consider teaching in rural northeast at Frontier School in a great work environment with a competitive salary, housing compensation and loan forgiveness. Please direct any questions and submit a resume and letter of interest to frontierschool@yahoo.com, attention Christine Eggar.
